

# DRILL RECORD - Hit 20 ft. Tupperware (best) (or Plastic)

1. **THREE Coloured Cups are placed 20 ft away from Hog Line. One on centre and others appro**
2. **Players throw at cups in any order they wish. For ease, Scorer should call out the awarded sco**
3. **Suggest 5 In Turns and 5 Out Turns for each group of 10. Players may shoot on own private pr**
4. **Result is simple - can you hit the cups accurately? Averages are crucial statistic.**
5. **SCORI 4 pts - Hit dead centre** **3 pts. - SLIGHTLY o**

**Note: If real Tupperware, a dead centre hit will make the cup go straight down the path. "Slightl  
veer of about 20-40 degrees. "QUITE offset" will veer off 45 - 70 or more. "Any touch" will just  
ever so slightly. Hopefully players end up with almost all 3's and the occasional 4. Be VERY FAI**

ME - SHC	1	2	3	4	5	6	7	8

**For ADVANCED players - Try doing it occasionally with eyes closed. Line up properly  
You will be amazed at how accurate you can become.**
